Thanks Lilian,

I took a brief look and am not sure there is much to comment on. I plan to look at it next week with the O&M plan that you and Michael sent on 4/5. Please feel free to set up a time to talk late next week or the following week. My outlook calendar is up to date.

Nice to hear from you 😊

Subject: Request for technical assistance Re: TRW Passive SSDS Modification Evaluation

Hi Mat,

I hope this finds you well.

I am writing to request your technical assistance with the TRW Passive SSDS Modification Evaluation attached. I understand you have been assisting Michael on that and you did a site visit to evaluate the system.

Could you please reply indicating your timeframe to review and provide comments? At that point I would like to set up a call with you and Michael to discuss your comments.

Please let me know if you need additional information.

Thank you,
